

Underwriting criteria

Core product range

Lifetime Mortgage product overview

Our Core product range has been designed to meet the needs of homeowners across England, Wales and Scotland, with flexible underwriting and 10 years of Early Repayment Charges. The key information about this product is outlined below:

Standard product

Our Standard product allows an applicant to borrow at least £10,000 as an initial lump sum up to a maximum of £1,000,000 in England and £540,000 in Wales and Scotland.

The minimum property value is £125,000 (£150,000 if an ex-local authority property) and maximum is £2,000,000 in England and £1,000,000 in Wales and Scotland.

Drawdowns are available on both products.

Product eligibility

Our products are available to applicants who:

- Own (or are purchasing) a property in England (including Isle of Wight), Wales or mainland Scotland. The property must be the applicant's main residence.
- Are at least 55 years old and up to 84 years and 364 days (we can accept joint applications for homeowners over this age, providing the youngest applicant meets this criteria).
- Have the right to permanently reside in the UK.

Premier product

Our Premier product is available for properties in England and is designed for properties worth over £2,000,001, with no maximum property value.

The minimum loan amount is £100,000 and loans over £2,000,000 are subject to approval.
